Trapline Marathon events are run in honor of the many trappers that left North West River and trekked inland to tend to their trap lines each fall.

The event is unique, heritage oriented, and offers great scenic views. Labrador is one of Canada's final frontiers. The freedom and cool temperatures have also led to numerous personal best times, very important for Boston!

The races are an annual event, held on the Saturday of Thanksgiving Weekend. The Friday night before there is a pasta dinner and social. Saturday there is a full marathon, half marathon and a 10k. Post-run festivities start with a community gathering at the finish line and end with a banquet Saturday night.

The full marathon is providing 42.2 kilometers to reflect in solitude.
